## First chapter

In this chapter will be described the basic 'How-To' for writing a thesis in  $\text{\LaTeX}$

### 1.1 How to cite a reference

This is how to cite a reference [1].

### 1.2 How to include and reference a Figure

As it is possible to see from Figure 1.1, a figure has been included and cited.

### 1.3 How to include and reference an Equation

As it is possible to see from Equation (1.1), an equation has been included and cited.

$$y = \sin(x) \tag{1.1}$$

### 1.4 How to create a Table

Table 1.1 has been taken as an example from [2]
